Mirror Glaze Clear Plastic Cleaner

Safely removes hairline scratches, dirt and grime. Clear plastic that has lost its clarity due to significant contamination and fine scratches should be treated using our two-step process. Meguiar's non-abrasive, alcohol-free Plastic Cleaner aggressively cleans and removes scratches without harming the surface. Follow up with our M-1008 Plastic Polish for a perfect finish.

M-17088 oz. \$7.99 [add to cart](#)

Mirror Glaze Clear Plastic Polish

The finishing touch for maximum clarity and brilliance. Meguiar's Plastic Polish provides the second step in our two-step restoration process for clear plastics. One easy application protects surfaces previously cleaned with our M-1708 Plastic Cleaner. You will reveal the materials natural brilliance, while leaving behind an anti-static coating that helps repel damaging dust and dirt.

M-10088 oz. \$7.99 [add to cart](#)

Mirror Glaze Clear Plastic Detailer

A single-step solution that keeps clear plastic surfaces pristine. Regain the original crystalline clarity of plastic in need of restoration, using this convenient all-in-one product specially formulated by Meguiar's. Simply spray it on and wipe it dry. You will safely remove surface contamination and achieve dramatic results on everything from window panels and instrument lenses to eyeglasses, CDs and picture frames.

M-18088 oz. \$6.99 [add to cart](#)

Heavy Duty Vinyl Cleaner

Even years of ground-in dirt and grime can't keep your rubber and vinyl from looking great again. Our extra-powerful cleaning formula also removes the wax residue that turns these surfaces chalky, revealing their dark, rich natural color.

M-391616 oz. \$8.99 [add to cart](#)

Vinyl & Rubber Cleaner/Conditioner

Many other products simply coat vinyl and rubber with shiny silicones. Meguiar's remarkable alternative gives you professional results by penetrating and cleaning, while conditioning and protecting against UV damage. All while leaving a rich matte finish.

M-40011 gal. \$27.99 [add to cart](#)
M-401616 oz. \$9.99 [add to cart](#)

Medallion Premium Leather Cleaner

Your leather interior deserves the absolute best. Leather offers years of lasting beauty and it deserves the best care. Medallion Premium Leather Care gently cleans away grease and grime, restoring premium hides to their original suppleness. It won't change the leather's original color or texture, and leaves no greasy residue. Meguiar's special formula combines vital moisturizing oils and special soft waxes in a water-based, pH-balanced formula to provide long-lasting protection against cracking and staining. And it's great on other leather surfaces like briefcases, purses, shoes and furniture.

Step 2

SURFACE PREPARATION

[Click Here!](#)

[Click Here!](#)

[Click Here!](#)

Medium-Cut Cleaner

For machine removal of tough surface defects. Buffered Abrasives™ provide just the right degree of cleaning power for jobs that demand a solution between Mirror Glaze Fine-Cut and Heavy-Cut Cleaners. Medium-Cut Cleaner quickly removes swirls, water spots and water sanding marks. It also leaves the silicone-free surface essential for proper painting. For use with a rotary buffer only.

- M-011616 oz. \$9.99 [add to cart](#)
- M-016464 oz. \$18.99 [add to cart](#)

Fine-Cut Cleaner

For machine removal of stubborn paint defects Professional detail shops rely on Mirror Glaze Fine-Cut Cleaner as the best answer for removing light oxidation, swirls, scratches and hard water spots. Its special formula of Buffered Abrasives™ turns into a gentle buffing rouge, giving you a professional finish that's ready for polishing, protecting-and if necessary, painting. For use with a rotary buffer only. Made for Professionals

- M-02011 gal. \$31.99 [add to cart](#)
- M-021616 oz. \$9.99 [add to cart](#)

Heavy-Cut Cleaner

For machine removal of serious paint defects. Mirror Glaze Heavy-Cut Cleaner removes deep swirl marks, scratches and severe oxidation, as well as etching from alkaline or acid rain. With proper application techniques plus Diminishing Abrasive Action™ that provides protective lubrication, you'll restore a smooth surface-also suitable for painting-without scouring your finish. For use with a rotary buffer only. Made for Professionals

- M-041616 oz. \$9.99 [add to cart](#)

Cleaner/Wax

A single step to brilliant protection. The right wax for many users is one that cleans, polishes and protects all in one simple step. Meguiar's Cleaner/Wax fills this need. Applied by hand or machine, it removes light oxidation and lays down an extremely durable high-gloss finish. Made For Professionals

- M-061616 oz. \$10.99 [add to cart](#)
- M-066464 oz. \$26.99 [add to cart](#)

Quick Detailer

- * One-step cleaner/wax, specially formulated for high-production reconditioning.
- * Aggressive cutting action.
- * Quickly and safely removes oxidation and blemishes.
- * Restores deep gloss and provides a durable wax finish

- M-66011 gal. \$23.99 [add to cart](#)

Body Shop Professional Dual Action Cleaner/Polish

Moderate abrasive power removes light to medium contamination. A touch more aggressive than Meguiar's Swirl-Free Polish, our Dual Action Cleaner Polish effectively deals with more significant stains, swirls, blemishes and oxidation. Its safe, Buffered Abrasive™ cleaning action attacks defects while guarding your finish against scratches. Rich polishing oils ensure a memorable shine. Made For Professionals

- M-83011 gal. \$28.99 [add to cart](#)
- M-833232 oz. \$18.99 [add to cart](#)

Compound Power Cleaner

- * Aggressive abrasives boost cleaning power and efficiency.
- * Specially formulated for FAST, safe cleaning.
- * Quickly removes Meguiar's Unigrit 1200 grit sanding marks.
- Diminishing Abrasives cut quickly, then reduce to a polishing rouge.
- Buffered Abrasive action lubricates the finish to prevent scouring.
- Paintable! safe for use in the paint shop

- M-843232 oz. \$12.99 [add to cart](#)

Diamond Cut Compound

- * Super fast cutting, low-swirl compound
- * The answer for high solids paint: cuts super fast with minimal swirls
- * Successfully tested in high solids production shops
- * Low-dusting, low-splatter formula

- M-853232 oz. \$15.99 [add to cart](#)

Medallion Premium Paint Cleaner

Introducing the finest way to prepare your car's paint by hand, orbital buffer or dual action polisher. The rich lubricating formula of Medallion Premium Paint Cleaner safely cleans away blemishes and oxidation, preparing both clear coat and non-clear coat finishes for Medallion Premium Paint Protection. Used after washing, simply apply a small amount to an applicator pad or a clean, all-cotton terry cloth towel, and gently work into your finish. With minimal effort you'll remove fine hairline scratches-even stubborn stains! For use by hand, orbital buffer or dual action polisher.

Step 3 POLISHING

[Click Here!](#)

[Click Here!](#)

[Click Here!](#)

Machine Glaze

The ultimate machine-applied shine. Meguiar's Machine Glaze lets you achieve a deep, rich gloss unmatched by any other polish, glaze, wax or sealant. Rich nutrients penetrate and revitalize all paint finishes, as well as fiberglass and plastic. Buffing residue wipes off easily to reveal the original brilliance and clarity of your finish. For use with a rotary buffer only Made For Professionals

- M-031616 oz. \$10.99 [add to cart](#)
- M-036464 oz. \$25.99 [add to cart](#)

New Car Glaze

Enhances even factory-fresh finishes. The specially formulated nutrients in Meguiar's New Car Glaze restore the deep, radiant shine that even brief environmental exposure can begin to strip from an automobile's finish. Safe and effective on fiberglass and plastic as well as paint, this distinctive product lets you create a beautiful gloss with very little effort. For use by hand, orbital buffer or dual action polisher. Made For Professionals

- M-051616 oz. \$10.99 [add to cart](#)

Show Car Glaze

Legendary on the show car circuit. For those of you who love a hand-rubbed finish, this superb glaze is guaranteed to give you that deep, wet shine prized among car collectors. This polish will outshine all other hand-applied polishes, glazes, waxes or sealants. It won't dry white, and it's safe and effective on all paint finishes. Used as part of your 5-Step Surface Care Cycle, Show Car Glaze is just one of many Secrets of the Pros that add up to a superlative appearance for your treasured automobile. For use by hand, orbital buffer or dual action polisher. Made For Professionals

- M-071616 oz. \$8.99 [add to cart](#)
- M-076464 oz. \$24.99 [add to cart](#)

Swirl Remover

A cleaner and a polish in one bottle. If, much to your dismay, you notice swirl marks, tiny scratches or other mild defects, you'll appreciate our ultra-safe Swirl Remover. This amazing product will carefully eliminate those annoying problems-whether applied by hand, or using a machine buffer/polisher. While Swirl Remover is gently cleaning, it's also polishing, leaving a dramatic, high-gloss shine. It's even formulated to reduce splatter and make application and wipe-down easier. For use by hand, orbital buffer, dual action polisher or rotary buffer.

- M-09011 gal. \$32.99 [add to cart](#)
- M-091616 oz. \$10.99 [add to cart](#)

Speed Glaze

Enriches gloss and color with machine or hand application. No matter how you choose to apply it, Meguiar's Speed Glaze is a shortcut that cleans, polishes and protects in one simple step. You will quickly remove light scratches, stains and environmental contaminants. Speed Glaze is safe and effective on any kind of paint finish, including clear coats. It ensures that a deep, beautiful shine is just minutes away. Made For Professionals

M-803232 oz. \$14.99 [add to cart](#)

Body Shop Professional Hand Polish

The gentlest way to achieve a perfectly smooth finish. A special blend of polishing oils will transform subtle surface defects into a uniform reflective sheen. Rich nutrients feed your finish to replace vital oils stripped away by oxidation. Dark paints in particular will respond with a shimmering depth of color and clarity. Our silicone-free formula also allows painting. Made For Professionals

M-813232 oz. \$15.99 [add to cart](#)

Body Shop Professional Swirl Free Polish

Eliminates light scratches as well as swirl marks. The next step up in aggressiveness from Meguiar's Hand Polish, Swirl Free Polish has the enhanced cutting power to tackle fine scratches, as well as more rapidly erase swirls. It's formulated to apply smoothly-and wipe off with ease. Use it to safely restore a glistening reflective shine to all types of paint, including clear coats.

PlastX Clear Plastic Cleaner & Polish

This easy to use, rich gel formula quickly restores optical clarity to both rigid and flexible plastics. Cutting-edge advancements in Meguiar's exclusive Microscopic Diminishing Abrasive Technology, (MDAT), removes light oxidation, chemical degradation, surface contamination, stains and light surface scratches with ease. In addition, because our microscopic diminishing abrasives breakdown as you use them, PlastX Clear Plastic Cleaner & Polish is safe on plastic rear windows on convertible tops, aircraft windows, motorcycle fairings, face shields, headlights and taillights, instrument panels, all clear plastic boat surfaces and aquariums. Meguiar's PlastX also contains highly water-resistant polymers. These specialized hi-tech polymers provide long lasting durable protection to keep your clear plastics clear and beautiful longer. PlastX is non-toxic and does not contain any harsh solvents.

Ultimate Wipe

The Ultimate Wipe Detailing Cloth is excellent for cleaning a variety of interior and exterior surfaces, including paint, glass, leather and vinyl. This cloth saves time and effort, but most importantly, it totally eliminates cloth-inflicted streaks, smears and swirls, producing an entirely new level of clear reflection and deep gloss.

M-991016 \$5.99 [add to cart](#)

Hi-pile 100% Cotton Towels

The safest material for your car's paint finish! Made in America, a luxurious 100% hi-pile cotton terry cloth that is the heaviest and safest you can buy. Meguiar's recommends using 100% cotton terry cloth for removal of all our cleaners, polishes, and waxes and for drying the vehicle.

A-72022 (towels & pads) \$10.95 [add to cart](#)

Detailing Brushes

The tools you need to add the finishing touch. Our professional detailing brushes leave dirt and grime no place to hide. We've included a variety of shapes and sizes, including versions with stiff bristles to loosen contamination and soft bristles to whisk away loose debris.

G-300Set of 6 \$19.95 [add to cart](#)

Reusable Detailing Swab Kit

A soft touch for hard-to-reach places. Swabs are an indispensable part of any detailer's tool kit. They're great for wiping away grime and debris, as well as applying and removing residue from your vehicle's nooks and crannies. Our collection gives you ten each of two different sized swabs.

G-301Set of 20 \$7.95 [add to cart](#)

Self Saturating Swabs

Pre-filled with our professional Vinyl and Rubber Cleaner/Conditioner, these swabs even reach inside dashboard vents to clean, restore and preserve.

G-302Set of 10 \$4.99 [add to cart](#)

The Absorber

The "quickest" dry ever! Speed drying time with this revolutionary new man-made drying towel. Its unique cell structure soaks up water three times faster than ordinary materials and holds more! It's also perfect for watercraft and poolside!

G-4001 \$14.95 [add to cart](#)

Dry/Soft English Chamois

Made by Pittards of England. When your car's surface demands the most careful method of drying, we suggest the Dry/Soft Chamois. It is the one chamois that stays soft even after frequent use because of the special tanning process employed by Pittards. Size: 3 square feet.

G-4011 \$22.95 [add to cart](#)

Spun Gold Wash Mitt

Guaranteed to out perform your old mitt! This luxurious 2" deep pile will absorb and release water at the precise rate required to wash a surface safely. The deep nap acts as an absorber to lift dirt from the surface, and release your favorite suds! Size 7" x 12".

G-4021 \$4.95 [add to cart](#)

Chenille Wash Pad

For the world's gentlest and "sudsiest" wash! Made of ultra-soft 100% chenille, you'll find this pad will safely lift grime from the most delicate surface. And because it's sewn over an absorbent sponge, you can generate more sudsing action. Size 6" x 10".
